STEP-BY-STEP ROUTE

Spot Your Pitch at Cae Du

Follow the route

Use the numbered directions alongside the route map on page one.

- 1 Leave Cae Du through one of the gates onto the back lane and turn left towards the copper mines.
- 2 Before reaching the mines, take the footpath on the right and begin the steep uphill climb.
- 3 You will soon reach the viewing platform where the copper mine tour finishes. Either turn back here or continue straight ahead on the public path, which skirts the mine entrance before becoming clearer.
- 4 Continue uphill only as far as you are comfortable. The higher you climb, the wider the views over Cae Du and towards the coast. Retrace the same route to return.

BEFORE YOU SET OFF
