STEP-BY-STEP ROUTE

To the Waterfalls! (Watkin Path)

Follow the route

Use the numbered directions alongside the route map on page one.

- 1 Leave Cae Du through one of the gates onto the back lane, which runs between Beddgelert and the copper mines. Turn right towards the mines.
- 2 Pass the copper mines. When you reach the river, turn right and follow the path upstream towards Llyn Dinas.
- 3 At Llyn Dinas, continue along the lakeside path until you reach Llyndy Isaf Farm.
- 4 Follow the track past the farm to the main road. Turn right and continue past Caffi Gwynant.
- 5 Shortly afterwards, turn left into the ancient oak woodland of Parc Hafod y Llan. This is the start of the Watkin Path.
- 6 The Afon Cwm Llan waterfalls will be on your right. This is the turnaround point. Explore only as far as conditions safely allow, then reverse steps 5 to 1 to return to Cae Du.

BEFORE YOU SET OFF

Distances and times are approximate. Check the weather, wear suitable footwear and carry water. Paths may be steep, uneven or slippery. Use this guide with a detailed map or offline navigation.

ROUTE NOTE

The figures on page one are one way. The full return walk is approximately 8 miles / 13 km and around 4 hours, before stops. Take particular care beside fast-flowing water.
